

RECEIVED

MAY 7 1984

Minutes of meeting of the Logan River Water Users Assn. May 1st, 1984.

The Logan River Water Users Association met at the State Engineer's Office at Logan Utah at 1:00 P. M.

Attending the meeting were Lyle Beck President, Merlin King director and Mike Turnipseed representing the State Engineers office . The purpose of the meeting was to hire a commissioner for the Logan River Distribution system for 1984. Blaine Hansen from Smithfield attended the meeting and applied for the job. He was interviewed by the members present.

A motion was made to hire Clint Crockett who was interviewed at an earlier meeting. Motion was duly seconded and all present voted in favor. The state engineer s local office approved the action and Mr. Crockett was to be informed that he was appointed for the 1984 year.

Secretary

Merlin King
